Professional golfers as well as amateurs are delighted with the 18-hole, par-72 championship course „Anahita“ with large, spectacular fairways, five sets of tees and six stunning oceanfront holes. Greenfees, golf cart with GPS and 1 x practice balls per day are included.

Let yourself pamper and experience the hospitality and warm smile of the Four Season staff' and the gentle lagoon breezes of the Indian Ocean. Enjoy pure relaxation on the sandy beaches, in the spa centre or while doing sports. Discover special moments under the blue sky on your private terrace as well as in one of the restaurants and bars. Various activities and adventures can be found in the surrounding. The residences are filled with sunlight and are harmoniously decorated in gentle, natural colours with wood and stones. They are equipped with all comfort such as Nespresso-machine, minibar, safe, SAT-TV, bathrobe and slippers.

Taste the culinary delights and global flavours in one of the four restaurants.
