The three mountain chalets Hochleger present sophisticated home decor with alpine touch: moon beaten woods such as pine, larch, fir and various waste woods encounter natural materials such as loden and linen. Everything that is high quality, has found its place here. Centuries-old furniture, restored with great attention to detail, give the chalet its own special charm.

Each of the unique chalets in luxury edition has its own color and material concept. All kitchens are handcrafted in old craftsmanship from solid wood and provided with stone countertops. An open-air bathtub with views of the

Red, Beige and Pink - the harmonious color concept is one of the highlights of the 70 sqm Romantic Chalet and turns it into a cozy paradise. Natural materials, exquisite workmanship, luxurious facilities - this noble house has room for up to 4 people and plenty of space to relax. Shape and color, sensuality and taste: The two cozy bedrooms are a class of its own.

The road up to the mountain chalets Hochleger is cleared daily during winter, still winter equipment and snow chains are mandatory.
