The legendary and glamorous Marbella Club Hotel is situated in one of the most beautiful and long beaches of Costa del Sol, with its beautiful, well-kept gardens and green oases right by the sea.

Founded in 1950 by Prince Alfonso, this appealing Mediterranean hideaway has attracted the international jet set to its climatically privileged coast for decades. Marbella Club, particularly in the 60s and 70s, transformed the former fishing village of Marbella into the Jetset-Metropole of Europe. Here famous personalities, the rich and the beautiful came together, not only through the visits of royal families of the entire European and international aristocracy, but also through the presence of the charismatic and popular Prince. To date, the Marbella Club is THE place to be in Costa del Sol.

The Marbella Club, with its 14 villas located right in the heart of the resort, offers exclusive, yet discreet, ideal accommodations for families and friends who want to combine the comfort and facilities of a resort with a sense of privacy.

The elegantly furnished villas have from two to five bedrooms, some also have kitchens and all offer a private and heated pool.

Villa guests have a wide choice from a range of sports and wellness services offered by Marbella Club. A riding facility, a golf course and a spacious Thalasso Spa complete this excellent offer. The Kids club is located in the middle of the Marbella Resort in the former private house of Prince Alfonso.
