lodges and 3 private luxury villas for sole use with their own safari jeeps, rangers, cooks and service.

Uplands Homestead is a former farmhouse dating back to 1905. This colonial-style safari home has been sensitively restored to retain all the charm and grace of yesteryear. It combines rich furnishings and modern conveniences with original antiques, giving this luxurious property a comfortable and warm "Out of Africa" ambience.

Kwandwe Uplands Homestead is set in a remote and tranquil valley with views of the rolling bush landscape. A perimeter fencing keeps wild animals out. For exclusive use only, the villa can accommodate a maximum of 6 guests and features 3 suites with private veranda and en-suite bathrooms with tub/shower/WC.

A private safari vehicle with ranger and tracker offers flexibility for tailor-made safari activities such as game drives, nature walks, big game walking safaris. The dedicated, skilled chef creates both old family favourites and sumptuous new dishes to inspire and delight.

Kwandwe Uplands Homestead is also ideal for families with small children. The rangers then offer special safaris and activity-programmes for children.
