## DOMIZILE REISEN

Italian furniture made of blond oak has been used in four bedrooms which have fantastic sea view and stylish bathrooms. The smaller bedroom can accommodate two children with its twin beds which can also be turned into a double bed when needed.

The villa has a very large terrace which offers separate areas for a large group of people and a barbecue. Well surrounded by nature and the sea, your privacy will be preserved once you decide to rest under the pergola or in the patio. You can relax on the hammock under the shade of the pine trees or in the big heated spa equipped with a system enabling you to swim against the tide. Sports enthusiasts enjoy good jogging possibilities on the long beach, a paddle ride on the Mediterranean Sea or a match of ping pong.
