DOMIZILE REISEN

Bowhill House is Hawkswood Country Estate's newest villa and only opened in 2022. Originally built in the 1840s, Bowhill House has been restored to a high standard. Particular emphasis has been placed on the restoration of historical features in combination with modern luxury.

Bowhill House is all on one level and sleeps 10 people in 5 bedrooms with en-suite bathrooms. The villa has two beautiful living areas with fireplaces, ideal for dining or relaxing. One of the living rooms also has a bar and a pool table. The cosy eat-in kitchen is modernly equipped with high-quality appliances (2 ovens, 2 dishwashers, 2 fridges and much more).

There is a hydro spa on the terrace for guests to relax their muscles after a day on the golf courses of St Andrews or a walk in the Fife countryside.

Villa Bowhill House offers a bespoke service to suit your requirements. Breakfast and other meals can be prepared and served at the villa. A pre-booked shopping service can also be arranged. Otherwise, the nearby Peat Inn is home to a Michelin-starred restaurant, while St Andrews offers a wide range of dining options. For golfers, a 270-yard driving range on the Hawkswood Estate completes the amenities of this exquisite family and golf villa.
