## DOMIZILE REISEN

If you are looking for peace and exclusive seclusion in the Caribbean, you won't find a better place than this luxurious private island, part of the British Virgin Islands. An intact, natural coral reef and sparkling white sandy beaches surround this paradise, which is only rented out in its entirety. Only twice a year is it available to individual travellers for special week-long arrangements as part of Celebration Weeks.

The Great House is the centrepiece of the island on Devil's Hill and is built in the typical airy Balinese style. It offers every conceivable luxury. Indonesian furniture and fabrics in bright colours predominate in the furnishings. The Great House has 1 master suite and 10 spacious bedrooms with king-size beds, private balconies and exclusive en-suite bathrooms.

In addition, there are 10 Bali Houses spread across Necker Island. They each have 1 bedroom for 2 persons with en-suite bathroom and are luxuriously furnished. The Temple House with 4 suites rounds off the selection of highly exclusive accommodation. Necker Island offers ample space for up to 48 people and 6 children.

Necker Island offers a wide range of water sports activities:

Tennis, windsurfing, sailing, kayaking, kite surfing, snorkelling, diving on the coral reef, beach volleyball or swimming in the pool. In addition, there is a fully equipped gym and a unique spa area. A highly qualified staff team takes care of the guests' well-being. The rental price includes all meals, which can be prepared individually according to the guests' wishes, as well as all drinks. Also included is the boat transfer from Virgin Gorda or Beef Island. Helicopter transfer to the island is available on request at an additional cost.
