With this beautiful vacation villa the name Simplicity doesn't refer to the character of this house with its prominent position and tasteful interior, but to the joy and ease which will accompany your holiday here. In the rambling expanses of this estate, surrounded by the scent of tropical flowers, there are numerous opportunities for retreating to relaxing secluded spots where you can read or maybe just escape. The extensive and fine-grained sandy beach of Simplicity Bay is conveniently situated with direct access from the house. As well as various types of water-sports, guests can also hire a bicycle, play tennis, or go horse riding. House staff and wash service are included in the rental price of the holiday home.
