## DAMMUSO PANTELLERIA

Italy | Sicily | Pantelleria  
Seven traditional holiday villas

4 persons | 2 bedrooms | from 350 to 1.150 EUR / day

per Dammuso:

2 to 4 persons – 70 sqm – private pool (10x7m) – large terrace with sea view – air condition in the bedrooms

1 living room with convertible sofa bed – 1 well equipped kitchen – 1 double bedroom with bathroom with tub/WC  
– 1 double bedroom with shower/WC

The seven independent houses have the same floor plan and were built in 2005. Only the terraces and gardens differ in the size. The traditional houses with a dome roof, consisting of lava stone are called Dammusi. They have massive exterior walls, so there is a very comfortable interior climate throughout the year. As a special feature for the island of Pantelleria, each Damusi has its own large pool. Beside that they have a private garden in Arab style. All houses offer views of the sea. Each Dammuso has air conditioning and SAT-TV. The interior is very comfortable and high-quality with terracotta floor. The living space is much more ample than in the old Dammusi. There is one living room with sofa bed, a well equipped open plan kitchen and two double bedrooms. Both bedrooms have their own bathroom. The sea with its volcanic, rocky coast is about 200 m away. In the center of the resort one can find the reception, where there is internet access for free. Qualified staff assist the
