Villa Gallo is one of a group of 2 holiday villas. They are located on a 2,2 hectare property in the small and picturesque village of Foiano della Chiana, close to Arezzo, Cortona and Lake Trasimeno. An impressive stone wall with wide openings protects the inner court yard, where the garden and the pool are located. The pool is shared with the guests of Villa Chiana Tre, unless both villas are rented together. Chiana Tre is situated on the opposite side of the pool. Both villas are amongst the wide fields, surrounded by a beautiful lavender garden. Villa Chiana Due has two double bedrooms, one with a double bed, one with two single beds. The villa captivates with its modern elegance and simplicity in combination with distinctive Italian flair. The living room and the open kitchen of the villa are divided on two levels. The conservatory with open fireplace facing the pool creates a cosy and romantic ambience for cooler evenings. The central position of Foiano della Chiana makes the villa an ideal place to sightsee the most interesting places and towns of Tuscany and adjacent Umbria. Siena, Arezzo, Pienza,
