In the spacious courtyard there is a covered seating area, a lawn for playing or sunbathing and a pool surrounded by a teak deck. Originally built in the 16th century, the house has been renovated with attention to details and turned into a tasteful and modern holiday domicile. The external appearance is castle-like, whereas the interior has been embellished on a grand scale with a generous room layout. The kitchen is fully equipped and has direct access to

the dining area. The living area is spacious and offers fireplace and Sat/TV. One of the bedrooms with shower/WC ensuite has a double bed on the gallery. Another large double bedroom as well as a suite with seating-area are in the first floor. Both have bathrooms/WC ensuite. The combination of old building with modern elements and stylish interior underline Finca Can Mir's special ambience.
