Hotel Don Ferrante has 13 double bedrooms and suites. Exclusive 5-star Boutique Hotel Don Ferrante impresses with its privileged location overlooking the sea on the city wall of Monopoli in Puglia in Southern Italy. This former ancient fortress combines the enchanting atmosphere of a castle with modern hospitality and pleasant comfort. It had been fully restored respecting the original architecture. The unique design with stonewalls and elegant furniture in bright colours underline the hotel's charming and stylish ambiance.

Hotel Don Ferrante consists of a main building and a Luxury Guest House, at 150 m along the sea front from the main hotel.

The hotel has been decorated with special care and attention to details and completed by glazed white handmade ceramics. The rooms welcome the guests in a setting of absolute comfort and elegance. All bedrooms are situated on the first floor and offer either sea view or view of the old town of Monopoli. There are several terraces - one with outdoor pool and loungers - where guests can enjoy panoramic views. The hotel restaurant convinces its guests with regional recipes, the typical flavours of Puglia and a large choice of wines. During the summer months, dinner is served al fresco on the panoramic terrace, perched over the sea. The lounge bar is the perfect place to relax and enjoy a drink. The hotel has all modern conveniences for a relaxed holiday from bathrobe and LED-TV with satellite channels to free Wi-Fi. A highly professional trained staff will assist the guests to make their stay pleasant and relaxing. Hotel Don Ferrante is the ideal place for friends of nature, of beach vacation, of culture as well as for golfers. The ancient fortress is also perfect for honeymooners or a romantic holiday in Monopoli. The sandy beach, shops and restaurants are all within short walking distance. In the surrounding there are several other beautiful sandy beaches.
