A few kilometres from Cortona, in Tuscany, in a small valley surrounded by wonderful hills, La Corte dei Papi Relais is set. The property is an oasis of quiet and peace for people searching for traditions and wishing to be conquered by ancient flavours of good food and cuddled by the comfort of an elegant "Vintage house" in the Tuscany countryside. La Corte Dei Papi Relais is an ancient country house dated back to 1700 where traditions and luxury gather together to offer the guests an exceptional experience of relax and wellness. Wonderful suites for wellness, an excellent restaurant and a warm and genuine hospitality will make a stay unforgettable. The country house is owned by Papi family, passed down from generation to generation, and currently restored by David and his mother Gabriella with love and respect for the ancient structure, preferring the restoring of the original elements, and preserving the history and its origin unchanged. David and Gabriella dream's was to transform their house, rich of history and memories, in a romantic luxury hotel, where guests can feel like being at home, and are cuddled in any moment during their stay. The country house is surrounded by a wide park, rich in flowers, olive trees and pines, and in its centre hosts a wonderful swimming pool.

The restaurant is in the old cellar of the country house. The menu offers a wide selection of freshly prepared Tuscan specialties, together with modern and elaborate proposals. In summertime, the restaurant is moved near the swimming pool so that the guest can enjoy the quiet and magic atmosphere of the Tuscan countryside. The old Etruscan town of Cortona with shops and restaurants can be reached within a couple of minutes by car, several other famous sites in Tuscany and Umbria such as San Gimignano, Siena or Perugia are in a driving distance of less than an hour.
