DOMIZILE REISEN

The small, elegant and romantic holiday resort The Oberoi Mauritius is set in a lush, tenderly cared garden at the northern Westcoast of the island. Guests can discover absolute peace, space and pure relaxation. The Luxury Villa with pool and the Royal Villa offer perfect privacy. Their location directly at the Marine National Parc „Turtle Bay“ with its coral reef is exceptional. Comfortable sun loungers at the sandy beach and the two elegant pools invite to relax and enjoy the breathtaking sunsets in the evening. The à-la-carte-restaurant (international, Asian, Creole kitchen) and the pool restaurant with bar (open for lunch and dinner) offer premium dishes. Experience the magnificent, romantic red sunsets of the Indian Ocean.

The award-winning Oberoi-spa is beautifully furnished in an Asian-African style. The therapists are eminently trained and place particular value on using 100% natural products such as „Africology“. Various application, e.g. aroma-therapy and Ayurveda-wellness can be tried out. The hotel offers a varied leisure programme called „Touching Senses“ at no extra costs. Currently guests can choose between a pottery course, star observation at the beach, painting or cooking classes or a wine tasting. The resort only has 71 units in total.
