This charming luxury holiday villa, perched on the very top of Monte Santa Croce, is an example of flawless restoration on an exceptional site. Perhaps Santa Croce's real name should be "the-villa-on-top-of-the-world" thanks to an extraordinary location with 360° views over the Murlo Estate and Umbria. One of the most impressive villas on the Estate, Santa Croce impresses with its fine interior design and large infinity pool that seems to float above the valley of Murlo. The large, fenced yard with spacious, stylishly furnished terrace allows a quiet and peaceful holiday. From the living rooms on the ground floor, French doors lead directly into the garden with elegant furniture. Each of the three bedrooms has its own en-suite bathroom. The 18-hole golf course, designed by Robert Trent Jones Jr., is located on the same property and is accessible by golf cart in just 5 minutes. Guests receive 20% on green fees. The golf clubhouse has a restaurant, for guests of the villa as well.
