1 living room - 1 bedroom - 1 bathroom with tub/shower/WC - floor heating in bathroom - outdoor shower

Set apart and completely surrounded by pristine fynbos, Forest Lodge is a modern and tasteful South African lodge of clear architecture. It offers magnificent views of Walker Bay. Various beautiful spots, spacious sun decks and the shared pool invites for full enjoyment and relaxation. In the evening cosy fire places and indirect lights create a perfect, romantic dinner-atmosphere. 16 detached luxury suites have carefully been built into the ancient Milkwood Forest. An enchanting, paved path and a canopy of leaves lead to the suites. All suites are tastefully furnished and offer an exquisite combination of elegance and comfort. With its cosy fireplaces, luxurious tester beds and spacious bathrooms Forest Lodge Suites are perfect for a romantic holiday. Large glass doors suffuse the rooms with light and lead out on the spacious terraces. The panoramic views of the mountains and the ocean is excelled.
With your decision to stay in Grootbos Forest Lodge you contribute to the sustainable development. Donations

and revenues from tourism are invested into important development projects and key conservation. If you are interested you can gain an insight into the holistic activities of Grootbos on site.
