DOMIZILE REISEN

The luxury design villa Can Trull is stunningly located on top of a hill near Sant Miguel in the north of Ibiza, offering magnificent views of the Mediterranean Sea. This state-of-the-art villa is doubtless one of the best vacation homes on the island. The exclusive holiday villa has been designed by the renowned architect Blakstad and has been completed in April 2015. White and natural colours have been used throughout the villa. The clear and open room-layout in combination with large windows create a bright and airy, yet warm atmosphere. Due to the spaciousness of the property on different levels there are various cosy and secluded spots to relax. Two independant casitas are situated slightly below the main house. Each of them comprises of a private terrace, from you will enjoy marvellous views of the surrounding pine forests. The highlight of Villa Can Trull is the large terrace, leading down to the pool deck with infinity edge pool. Daily service is included in the rate. Modern technical equipment includes floor heating, Wi-Fi, air condition, sound system and beamer for an open air cinema experience and much more. The owner's power boat type SacsStrider 13 can be chartered on a daily basis (with skipper only). Grocery stores, supermarkets and restaurants can be found in nearby Sant Miguel.
