Built on top of a canyon overlooking the Bay of Kumlubük, the village-style Dionysos Hotel extends across the mountain and offers fantastic 360° panoramic sea views. The stunning location will take your breath away.

The Dionysos Hotel has a private beach club, tennis court, gym, a spa and an organic farm.

The hotel produces in its organic farm an award-winning, extra virgin olive oil and organizes olive oil or wine

## DOMIZILE REISEN

tastings. Wander through the orchards and pick fruit from the trees or go for longer walks along the forest tracks leading from the hotel.

Enjoy the beautiful infinity pool which seems to extend into the sea and beyond the horizon. Relax at the spa or in the hammocks and enjoy the view. Spend a day at sea on the Gentleman's Boat, explore the local coastline, stop to swim and relax. Do some sports on the Dionysos tennis court or in the gym or take a mountain bike to explore the surrounding mountain paths.

Visit the softly lit bar area by nightfall an intimate, relaxed ambience with weekly wine tastings. The restaurant serves modern and traditional Turkish cuisine.

Throughout the day the Beach Club provides an exclusive beach club service and by night the Beach Club turns into a romantic sea-front restaurant.

There is free Wi-Fi access throughout the property, a 3-hole practice putting green and driving net. Billiards, fishing, canoeing and tennis are available on-site or in the surrounding area.

Due to its steep hillside location the hotel is not suited to persons of limited mobility.
