Villa Ivory House is located on the edge of a rural village. Farmers work the paddy fields, dogs sleep, children play outside... usual village life. A perfect place to catch an impression of the real Sri Lanka. There are tuk tuks near by. Galle town is only a 20 minutes drive away.

Villa Ivory House takes inspiration from Dutch colonialism combined with a simple, modern contemporary aesthetic – a fusion of East and West. It was designed to maximize the views of the rice paddies and the cooling breezes off the valley and has a large garden with pool and poolhouse.

A stylish house renovated with care and attention to detail located with stunning views across rice paddy fields is waiting to give you a real home feeling. The heart of the villa is the huge kitchen with dining area and another huge living area. It is surrounded by four en-suite bedrooms. The property lies about 3 km from the coast and
