Outside, the villa’s potential as a second-to-none event venue becomes apparent.

A wide lawn sweeps from the dining terrace towards the 20-metre infinity-edge swimming pool, to one side of which a ten-seater table is set up below a covered barbecue and bar area, and a stone amphitheatre makes the perfect setting for a traditional Balinese dance performance. Villa The Pala’s garden links through to that of neighbouring Villa Rose, and has been purposefully designed with events in mind, providing plentiful washroom
