DOMIZILE REISEN

have full access to all resort facilities, leisure activities, kids clubs, spa, wellness, shopping areas, and events and entertainment.

The Martinhal Beach Resort is located at the western Algarve on the edge of a national park and is one of the most exciting family resorts of Southern Europe. On the white sandy beach families can enjoy all conceivable comfort appropriate for children in quite casual atmosphere. In the resort there are three restaurants with different catering to choose. The pool bars offer a delightful choice of meals and drinks. O Terraço restaurant is convincing with one of the nicest panoramas in whole Algarve and spoils in the morning with an extensive breakfast buffet and in the evening with tempting Portuguese Menus. For self-caterers, a take Away service is offered.

The hotel guests can use all facilities of the whole resorts. Children and babies are particularly welcome at the hotel and in the restaurant. A huge number of activities are offered for every age. Play room with Wii and Playstation, table football, Paddling tennis and much more can be used.

The SPA area with wellness treatments for adults and also especially for babies and children offers optimum relaxation.

Only few minutes away lies the historical and charming fishing village Sagres which invites to the authentic experience of Portuguese traditions and provides children to learn about culture playfully.

Enjoy dolphin watching, tracking or bicycle tours in the national park, try some yoga, pilates or golf. Also many water sport possibilities don't leave open any sporty wishes.
