This pretty cottage that is built out of teakwood has 2 storeys. There are 8 different cottages located in a beautiful tranquil setting of 10.000 square meters. They are all built and furnished in a traditional norththailand style. The Cottage Dam is located calmly but still close to the pool that the cottages share. Hoshihana Village is located in a peaceful environment only 30 minutes drive away from the Chiang Mai City Center. All guests will be collected from the Chiang Mai Airport for a fee of 500THB. If booked in advance the guest can enjoy a meal in the restaurant. Breakfast, lunch and dinner are available in the restaurant or as a room service. Every cottage has a very well equipped kitchen for guests that like to cook for themselves. For a small charge of 80 THB the Village

DOMIZILE REISEN

can provide a minibus transfer to the local market where the guest can find lovely fresh fruit, vegetables and many other delicious foods. To discover the beautiful surroundings the village provides bikes for free. Only some minutes away from the resort, embedded in the most breathtaking nature, is the Chiang Mai Grand Canyon that flows into a pretty lake. This area is also very suitable for hiking. Other interesting day excursions can be booked in the village. If the guest just wants to relax the holiday village offers a spacious shared pool, a herb sauna and traditional thai massages. Of course free WIFI is provided for the guests. Hoshihana is a Japanese word. Hoshi means star and hana means the flower. So the guest can sit under the starry sky surrounded by spectacular tropical flowers. The foundress of this holiday village is also the foundress of an orphanage close by. All proceeds from the guests go directly to the orphanage.
