tranquility in one of the most beautiful areas of Dalmatia.

The estate is composed of three individual luxury villas, which each have a private beach. The villas combine the privacy and comfort of a holiday villa with the discreet and excellent service of a luxury hotel.

Villa Lotus was built in split-level style and extends over four levels. The entrance area is located on the second level, stairs are leading down to the ground floor on beach level. The different terraces are perfect for sun bathings, for swimming in the pool or whirlpool, for chilling on the elegant lounge furniture or for enjoying delicious meals.

Villa Cama is spacious, very generous and light-flooded with large, floor-length windows, which are offering a great view of the sea. It is tastefully furnished in contemporary-modern style with love for details. Natural stone, high-quality tilings, bright colours and decent furniture are combined harmoniously and underline the villa's warm and elegant ambience.

Final cleaning-service is included, further services like grocery shopping, private cook, child care, personal trainer or boat hire can be arranged according to the guests wishes.

The next restaurant and shopping facilities are less than 2 km away in Posedarje. The harbor town Zadar with airport and vivid centre can be reached by car within 30 minutes. Villa Cama is perfectly located to explore sights and beautiful landscapes of Dalmatia.
