DOMIZILE REISEN

In the front row direct at the sea with an own landing pier and bathing jetty the exclusive Villas Good Cama are located in a tiny, picturesque bay close to Posedarje at the west end of the Novigrader sea. The private luxury resort was recently built by Catherine and Mats Hummels - Germany's national soccer team player - who created a special haven of tranquility in one of the most beautiful areas of Dalmatia. The estate is composed of three individual luxury villas, which each have a private beach. The villas combine the privacy and comfort of a holiday villa with the discreet and excellent service of a luxury hotel.

Villa Cama is the private villa of Mats and Cathy Hummels. It is the largest of the three villas and offers four bedrooms with space for eight persons. Villa Cama extends over three floors with mezzanines. On the different levels there are terraces for sun bathings, for swimming in the pool or whirlpool, for chilling on the elegant lounge furniture or for enjoying delicious meals.

Villa Cama is very spacious and light-flooded with large, floor-length windows, offering a gorgeous views of the sea. It is tastefully furnished in contemporary-modern style with love for detail. Natural stone, high-quality tilings, bright colours and decent furniture are combined harmoniously and underline the elegant, yet warm and welcoming ambience of the villa.

Daily cleaning service is included, further service like grocery shopping, private cook, childcare personal trainer or boat hire can be arranged according to the guests wishes.

The next restaurant and shopping possibilities are less than 2 km away in Posedarje. The harbor town Zadar with airport and vivid centre can be reached by car within 30 minutes. Villa Cama location is perfect to explore sights and beautiful landscapes of Dalmatia.
