conditioning and heating system. <br/>From the windows of the living room and master bedroom you can enjoy typical fragments of Venetian life: the canal below is crossed by picturesque little bridges that connect the borders of the Dorsoduro and San Polo district with <a href="http://www.venice-tourism.com/en/luoghi/san-polo-district/campo-san-polo">Campo San Polo</a>. In fact the apartment is located on the north-end of the Dorsoduro district, a quiet spot much-loved by artists and Venice connoisseurs yet injected with life by the locals. It is also close to the Accademia Bridge, not far from San Marco, just few steps away from the famous Cà Foscari University and from one of Venice's oldest churches, the monumental "<a href="http://en.venezia.net/venice-frari-church.html">Chiesa dei Frari</a>". <br/>The apartment is highly recommended for both romantic escapes and family holidays. We recommend Apartment Ca Foscari also for long term rentals.</span>
