Octola Villa is tastefully furnished in an elegant country-house style and has large panoramic windows allowing sweeping views of the nature and - from about the end of August to the beginning of April - of the Northern Lights. Octola Villa is at ground level and has 1 large master suite with en-suite bathroom, sauna and outdoor Jacuzzi. The second en-suite bedroom can be used as a double or twin. Between the two bedrooms there is a refined rustic living/dining room with fireplace and fully equipped kitchen. Here guests can experience the richness of Nordic cuisine, prepared by the gourmet chef using local ingredients.

Many activities can be enjoyed during the stay, from snowshoeing and reindeer feeding with a wilderness guide to sledding, nature walks and e-fat biking. In addition, ice car driving, reindeer sledding, skiing, horseback riding and husky sledding and more can be experienced for an additional fee.
