and effortless with a color scheme inspired by the surrounding landscape. Natural stone, light-flooded rooms and a gorgeous sea view create a Mediterranean vacation ambiance.

Villa Amani covers 2 floors and offers enough space for 4 people in 2 bedrooms. In addition, the sofa in the living room can be converted into an extra bed, so that there is additional space for an extra person, e.g. a larger child.

The stylish outdoor area of the villa is terraced and has various shady and sunny spots. In addition to the beautiful private pool with sun loungers and umbrellas, there is a covered dining area and a cozy outdoor lounge area.

From Villa Amani you can quickly reach various beautiful beaches and picturesque fishing and mountain villages in a few minutes by car.
