Villa Gaia is a stylish bohemian chic vacation villa located in the southeast of Mykonos very close to Lia Beach. The villa impresses with its architectural design, its slightly elevated position with magnificent sea views and privacy. Villa Gaia is built in the traditional Cycladic style. The snow-white, cubic structure house with refreshingly simple interiors, stone floors in the outdoor areas, neutral tones and gorgeous views is the ideal choice for guests who want to experience the life and beauty of perhaps the hippest Greek island Mykonos but do not want to sacrifice privacy, tranquility and relaxation.

As you approach the property, you come to a large courtyard with parking space and pergolas for sun protection and shade. The well-maintained exterior of the villa includes a large veranda, a barbecue/dining area, a stylish bar and an infinity pool designed by Spanish architect Javier Barbe. Villa Gaia is on ground level, with three of the
