The Masseria Donna Chiara is a traditional country estate that has been lovingly restored. It is nestled in a wonderful secluded location in a 50,000 sqm property with centuries-old olive trees. The beautiful and long sandy beaches south of Monopoli in the Puglia region are only 10 kilometres away.

The charm of this 16th century property lies in the perfect harmony of traditional Apulian construction combined with the most modern technology, which has been carefully integrated. These include completely new electrical wiring for state-of-the-art home technology, all plumbing, central heating, air conditioning and underfloor cooling for the hot summer months.

Originating from an old 18th century farmhouse, Masseria Donna Chiara is now an authentic place that can

accommodate up to 10 people in the 4 suites and 1 bedroom. Each suite has its own bathroom and independent entrance to ensure maximum discretion. Inside you will find a lavish living area with large sofas and a unique 4-metre long table. The open and modern designer kitchen with stainless steel fronts is fully equipped. The masseria has two wood-burning fireplaces to make your stay comfortable even in the colder months. There is a pavilion on the grounds, furnished with long sofas and a large table for 20 people. The gazebo is served by an outdoor kitchen with barbecue and an antique traditional wooden pizza oven.

Surrounded by dry stone walls typical of Puglia is the heated swimming pool overlooking the olive grove. From the spacious roof terrace you can enjoy a 360 degree panoramic view and breathtaking sunsets.

The owner exhibits paintings, sculptures and installations by local and international artists in the masseria. Currently on display are the works of painter Lucio Garribba, who was born in Barletta in 1947.

Daily house service including the preparation of breakfast is included in the price. Additional services, e.g. cook, shopping service, babysitting, yoga trainer, massages, etc. can be arranged on an individual basis for an extra charge.
