DOMIZILE REISEN

Located on the picturesque south-west coast of Sicily near the harbor town of Sciacca, Rocco Forte Private Villas is an ensemble of exclusive 3 or 4 bedroom villas. Set on a hill, the villas offer wide views over the Mediterranean Sea and the Sicilian countryside. The villas perfectly combine the privacy and luxury of a vacation villa with the personalized and attentive service of the nearby [5-star Rocco Forte Verdura Resort](https://www.fine-rentals.com/luxury-hotel-italy-sicily-verdura-resort-2924.html). Guests of the villas have unlimited access to the resort's extensive facilities including 8 restaurants and bars with an exquisite culinary offer, the 4,000 sqm award-winning spa area, fitness, kids club, tennis, private beach with many water sports facilities and of course the 2 excellent championship golf courses.

The 4 bedroom Villas Corallo are located in the first row facing the sea with unobstructed views of the Mediterranean Sea, the golf courses and the resort. The villas are spacious and bright with floor-to-ceiling windows blending in- and outdoor spaces. The villas are furnished in a contemporary-modern style with well-chosen color accents. On the ground floor of the Corallo Villas there is a spacious studio, a living and dining area and a fully equipped kitchen. On the upper floor there are three bedrooms with private bathrooms and private terraces, where guests can enjoy an espresso in the morning or an aperitif in the evening. The fourth bedroom is separate with its own entrance, creating a secluded oasis.

In addition to the villas Corallo, there are other villas "Topazio" with 4 bedrooms, which are very similar in style and layout, but are not located in the first row of the villa ensemble.
