DOMIZILE REISEN

The stylish luxury villa Red Chalet was built around the turn of the 20th century and is located directly by the sea in the heart of Armação de Pêra at the Algarve. The building, which served as a family summer residence for almost 80 years, is listed as a historical building and is a famous landmark on the coast.

The Red Chalet luxury villa has been completely renovated, retaining as many original elements as possible: a unique wooden floor, antique chandeliers and an impressive staircase were all lovingly recreated. The Moorish influences of the architecture, with geometric designs on the shutters and ceilings, recall the rich cultural heritage of the region.

With its central location just a doorstep from the historical town centre, direct access to the beach and the comforts of contemporary luxury, the villa offers an evocative escape in accordance with the traditions of the Algarve.

Red Chalet sleeps a total of 8 people in 4 bedrooms in the main house and the guest house. The terrace is built into the seawall, giving the impression of a stay upon the ocean itself. Bridging the gap between the comforts of the present and the romance of the past, the large kitchen opens into a living and dining area with a large terracotta terrace and spectacular seafront setting. A staircase leads up to 2 bedrooms with en-suite bathrooms and to a further roof terrace.

Next to the main house there is a guest house with 2 further bedrooms and en-suite bathrooms with shower/WC. White-washed wooden floors and colourful details add to the character of the annex with a fresh, airy and relaxed style, perfect for family members looking for their own space.

As a tenant of Red Chalet you are entitled to use the pools of the nearby resort Vila Vita Parc. Upon request and advance booking, you can reserve a pool cabin/changing room. Also included is a free transfer for each restaurant booking at VilaVilaParc Resort and once per day (round trip) for the use of one of the resort pools. This service must be reserved in advance at the reception.
