This holiday homes are located in the north western part of Lefkas, on a plot with seven houses. Due to the own private space, guests can enjoy total privacy. Each villa has its own terrace with barbeque made of stone, where one can enjoy the breathtaking views of the sea. The pool is shared by the guests of all house whereas 4 villas have a private pool. The villas have two double bedrooms, one with a double bed and one with two twin beds. The villas are situated above the village of Agios Nikitas. It is a wonderful preserved traditional village with exceptional individual atmosphere and it probably is the most beautiful village in Lefkas and one of the most beautiful resorts in the Ionian Islands. Here, one will find everything that one might need, such as small supermarkets or taverns. It is only a ten-minute walk to the village centre. Cars are prohibited inside the village, it is only allowed to drive to the vacation villa in order to bring the luggage there. Cars can be parked outside the village. The nightlife hardly exists in Agios Nikitas; there are a number of coffee shops where one can sit and
