1 living room – 2 sofas – 1 open plan kitchen – 1 double bedroom – 1 twin bedroom – 2 bathrooms with tub/WC – large terrace

These unique nine beach houses have been built in typical Greek island style. Their charm is the very close proximity to the sea with clear water and the remote position in the peaceful Agia-Irini Cove. Agia Irini 9 has 2 bedrooms and 2 bathrooms with tub. All holiday houses have tasteful furnishings in the Cyclades Island style, and the rooms are set out in split level. The spacious terrace is the perfect place for relaxing, but due to the lush planting around house no. 9, there is partial sea view from here. To compensate this, no. 9 has a private pool. A small pebble beach with a bathing jetty is about 80 metres away from house. Another beautiful beach with fine white sand and palm trees can be found within easy walking distance. Pounta, a paradise for surfers and kites, is only 3 km away. A Greek taverna is set directly at the beach, so one can enjoy meals and drinks under the shade of the trees during summertime. The town of Parikia is 6 km away where shops, restaurants and numerous bars and discos are found. Due to the secluded position of Agia Irini we recommend car rental.
