First floor: 2 master suites, each with balcony and shower/WC

Villa Nisala is part of a collection of three boutique, privately owned holiday homes located just 90 minutes from Colombo on the exceptionally beautiful southwest coast of Sri Lanka. Perched on the edge of a secluded beach near the small town of Induruwa, the villas enjoy an unrivalled, uninterrupted view of the Indian Ocean. There are three elegant two-storey villas which can be rented separately or together and comfortably accommodate up to 18 guests. In front of the villas is a stunning lap pool with steps leading to a shallow section on one side, which is ideal for children. Villa Nisala is located in the middle of the three villas, directly at the pool. Both suites are on the first floor and have a large private balcony with fantastic views of the Indian ocean. They both dispose of an own ensuite bathroom with shower/WC and additional outdoor shower. The open plan, modernly furnished kitchen also features a bar. The garden in front of the villa passes directly into the beach. The

DOMIZILE REISEN

vacation villas have luxuriously appointed interiors, generous living and dining spaces, private kitchens, spacious balconies and master suites with oversized ensuite bathrooms. While the villas are equipped to cater to the expectations of modern living, much of the design is based on traditional Sri Lankan homes. High vaulted ceilings, tall louvered doors and windows shading large open spaces provide wonderful ventilation and allow the cooling ocean breeze to permeate the property. The Sri Villas have their own, well-trained English-speaking staff in residence so that guests may completely relax and feel at home. Special requests will happily be responded to in every possible way, for example, babysitting can be arranged. Breakfast will be served in the villa. On request, a table may be set up outside the living spaces in order to enjoy a special, intimate dinner at extra charge. The staff is happy to arrange transport to and from the airport. Given advance notice, they will also help arrange day trips to other destinations.

For citizens of the EU, a visa is required for entry to Sri Lanka. This should be applied for in advance as "Electronic Travel Authorization" (ETA) in the online procedure at <http://www.eta.gov.lk/slvisa/>. Please inform yourself about the entry requirements before your trip.
